

Small Town Cruizers Car Club is "Cruizin' for K-9's"

**This year, the Small Town Cruizers Car Club is supporting
Friends of Visalia Police K-9**

**With the help of generous donations from
community partners and citizens, we will raise
money to support the Visalia Police Unit, and help them with
the costs of buying a much needed dog. The initial cost of a
new K-9 is about \$10,000. The K-9 program provides life saving
assistance & support to our local law enforcement heroes.**

**If you would like to help,
please talk to a member of the
Small Town Cruizers Car Club
or call Bob Riggi at 559.303.6650**
